# Assurance

Everybody talks about their new cars. Hyundai owners get money for it. Here's how:

---

With Hyundai, you get a choice.

How would you like to receive your money:

- Monthly, for the next six months
- All at once, taking it off the price of your new Hyundai

If you chose "Monthly," follow these steps:

1. Tell your Hyundai dealer when buying your vehicle.
2. Provide email and regular mailing addresses where Hyundai can send your Monthly Money registration and information.
3. After receiving your official Welcome Letter (within 2 weeks of purchase), which will include your account activation information, log onto [www.HyundaiMoney.com](http://www.HyundaiMoney.com), then:
  - a. Enter VIN, Last Name, State, Zip Code and Selling Dealer name.
  - b. Create Username and Password.
  - c. Review "Acknowledgement" on-screen and via email.
  - d. Receive reloadable cash debit card within 7-10 business days.
4. After receiving your debit card:
  - a. Activate card at 800# or [www.HyundaiMoney.com](http://www.HyundaiMoney.com).
  - b. Once activated, your card will automatically have the first installment.
  - c. Receive "reloaded" monthly amount on the first Monday of each month.
  - d. Receive email notifications of each monthly "reload."
  - e. Spend the balance of your reloadable cash debit card any way you like.
  - f. Remind yourself, periodically, that your card is valid for three (3) years.
5. Log onto [www.HyundaiMoney.com](http://www.HyundaiMoney.com) anytime to view:
  - a. Transactions
  - b. Balance
  - c. Monthly reloads

If you chose "Once," follow these steps:

1. Tell your Hyundai dealer when buying your vehicle.
2. Drive home in your new Hyundai — at an even lower price.
