#### Heated Side Mirrors

A must for frosty weather and everyday driving convenience, power heated side mirrors give you improved visibility and are standard on all Santa Fe models.

#### Remote Keyless Entry

Want easy access to your vehicle? No problem. The handy remote keyless entry unlocks doors and also activates the alarm system for added security and convenience.

#### Fog Lights

Another great standard feature—the front projection fog lights aid your journey in inclement weather, while their stylish design increases your visibility in more ways than one.
