**235-HP, 3.3-Liter V6 Engine**

The all-new Sonata V6 models boast an all-new engine. Built in our state-of-the-art U.S. manufacturing facility, the 235-horsepower, 3.3-liter, all-aluminum V6 engine features Continuously Variable Valve Timing and a variable induction system for the perfect balance between performance and efficiency.

**SHIFTRONIC®**

Enjoy more choices and add greater control to your driving experience with the SHIFTRONIC® sport mode, which gives you the option of clutchless manual shifting up and down the transmission range. It's standard on both the 5-speed and 4-speed automatic transmissions.
