GLS IN NAUTICAL BLUE

V6 Engine

The 2.7-liter, double overhead cam, all-aluminum V6 engine, along with a tuned intake system, delivers 173 horsepower and 178 lb.-ft. of torque, giving the Tucson GLS and Limited the dynamic performance you want.

Automatic Transmission

The 4-speed automatic transmission features an electronically controlled gearbox with SHIFTRONIC,[®] which gives you the option of clutchless manual shifting for a sporty and active driving experience.
